

## Summary of Results

Name	Jessica Powell		Class	Y9 Standard	
Understanding	C	Fluency	B	Problem Solving	D

### Tutor Comments

Jessica demonstrates a basic understanding of concepts taught but tends to forget them without consistent practice and reinforcement.

She is beginning to demonstrate effort during tasks, though consistency in focus and engagement is needed to improve outcomes.

Progress has been limited, as she often requires additional clarification and support, particularly with fluency and problem solving activities.

## Weekly Feedback

## Metrics Breakdown

### Understanding

- A - Demonstrates a thorough and comprehensive grasp of mathematical concepts.
- B - Shows a strong understanding with minor errors or gaps in knowledge.
- C - Displays a basic understanding but with some noticeable gaps or misconceptions.
- D - Understands parts of the concepts but lacks overall clarity and consistency.
- E - Shows minimal understanding of the mathematical concepts.

### Fluency

- A - Accurately and efficiently performs routine mathematical procedures consistently.
- B - Performs routine procedures correctly most of the time with minor mistakes.
- C - Completes routine procedures with some accuracy but often makes errors.
- D - Struggles with accuracy and consistency in performing routine procedures.
- E - Rarely performs routine mathematical procedures accurately or efficiently.

### Problem Solving

- A - Effectively applies concepts to solve all problems accurately.
- B - Successfully solves routine problems and most non-routine problems.
- C - Solves routine problems correctly but struggles with non-routine problems.
- D - Attempts routine problem-solving with limited success.
- E - Struggles significantly with applying concepts to solve all problems.

## Notes

- Weeks which are highlighted in red are weeks which the student was away during their regular lesson time.
- Competency areas left unshaded denote areas that were not practiced during that week.
