Summary of Results

Name	Ranbir Singh		Class	Y9 Advanced		Mark	70	
Understanding		В	Fluency		В	Problem Solving		С

Tutor Comments

Ranbir demonstrates a basic understanding of the concepts, yet could benefit from increased engagement to deepen his comprehension.

He has shown inconsistency in demonstrating effort, particularly with task completion and timely submission.

Progress has been limited, as there are recurring issues with task completion and a passive approach to seeking help when faced with challenges.
